

Volunteer Jobs

We need many volunteers to make VBS successful. There are many ways you can serve God by serving his children during VBS Week. A few things...we will fill all adult spots before we pair up adults. You can put down a name of someone you'd like to work with, and we will try to take that into account when making assignments. We've put the number of volunteers needed beside each description.

Additional Assistance:

Substitutes: Emergencies do happen and we need a group of people willing to step in and fill in a spot if someone is unable to make it to VBS.

Information Tables: We need people to staff information and help tables on the first day of VBS. These people assist children in getting to their crews and help with any problems with t-shirts, registration, nametags, etc.

Scholarships: Some of our families cannot afford to pay the registration fee. One way to help is to donate all or part of a child's registration fee. You can write a check to St. Andrew's and put VBS Scholarship in the memo line.
