## SERMON NOTES

Jesus' strategy for making disciples who make disciples:

---

Back to school tradition:

---

The most important aspect of making disciples:

---

*"The greatest issue facing the world today, with all its heartbreaking needs, is whether those who, by profession or culture, are identified as 'Christians' will become disciples – students, apprentices, practitioners – of Jesus Christ, steadily learning from Him how to live the life of the Kingdom of the Heavens into every corner of human existence."*

**Gracious God, our sins are too heavy to carry, too real to hide, and too deep to undo. Forgive what our lips tremble to name, what our hearts can no longer bear, and what has become for us a consuming fire of judgment. Set us free from a past that we cannot change; open to us a future in which we can be changed; and grant us grace to grow more and more in Your likeness and image, through Jesus Christ, the light of the world. Amen.**
